Bullying Beyond the Schoolyard: Preventing and Responding to Cyberbullying

By Sameer Hinduja and Justin Patchin

"Cyberbullying occurs when three components intersect: teens, technology, and trouble. This perfect storm of elements manifests as harassment, humiliation, and hate that can follow a child everywhere. Drawing on the authors' own extensive research, this groundbreaking eye-opening resource incorporates the personal voices of youth affected by or involved in cyberbullying, while helping readers understand the causes and consequences of online aggression."

Words Wound: Delete Cyberbullying and Make Kindness Go Viral

By Justin W. Patchin and Sameer Hinduja

www.wordswound.org

"Many well-meaning researchers and experts have written a number of books for adults that detail the nature and extent of cyberbullying, and offer suggestions for parents, educators, and other adults to effectively respond to the problem. In fact, Dr. Patchin and Dr. Hinduja have written three books just like this! Words Wound is different. This book represents their effort to speak directly to teens. They've long argued that it takes a coordinated community effort to address cyberbullying, and teens can and should be a big part of that. And they want to be."
