EPIC TRANSITION

We sincerely appreciate your patience as we have transitioned to the new medical record system.

As with any transition, there have been many new and exciting things to learn and start utilizing. Unfortunately, we have seen some phone delays and increased time for prescription refills.

We appreciate your continued understanding and have put measures in place to improve our efficiency.

SUMMER PHYSICAL EXAMS

Our summer schedule is filling quickly. If your child is currently due for their annual physical exam, or will be in time for school, please call our office to find a time that is convenient for your schedule.

With the start of school fast approaching, we will not be able to complete any forms for patients who are not current on their annual physical exams.

EMPLOYMENT OPPORTUNITY

We are currently looking to fill position openings for:

- Front office reception/scheduling
- Back office medical assistant

Please submit resumes to fax@parkerpediatrics.com

NEW EMAIL PLATFORM

We will be returning to Constant Contact for our email correspondence provider. To ensure delivery of these communications, please be sure to add us to your safe sender's list.
